Diana & Kylie

Friends With Benefits

Ever since this pair met at a support group for the recently divorced they've been inseparable. In the beginning, they offered each other emotional support and a shoulder to cry on. Soon, that shoulder turned into other, more intimate body parts, as this gorgeous duo discovered that they were able to satisfy each other sexually in ways their exes could never imagine. Now they fuck each other daily and once in a while they offer some lucky guy a chance to taste their charms. Get ready to blast off!

In the beginning, neither woman had experienced lesbian sex before and it took a few drinks and months of sexual frustration to loosen each other up. Now, they know each others' bodies inside and out and are eager to get down to dirty business.

They met this guy at the same support group, and he was a mess after discovering that his wife was sleeping with his best friend. Having two lovely cocksuckers work you over softens the blow, don't you think?

Even as her pussy's
being pounded this lady
can't neglect her friend's
need. Friends indeed.

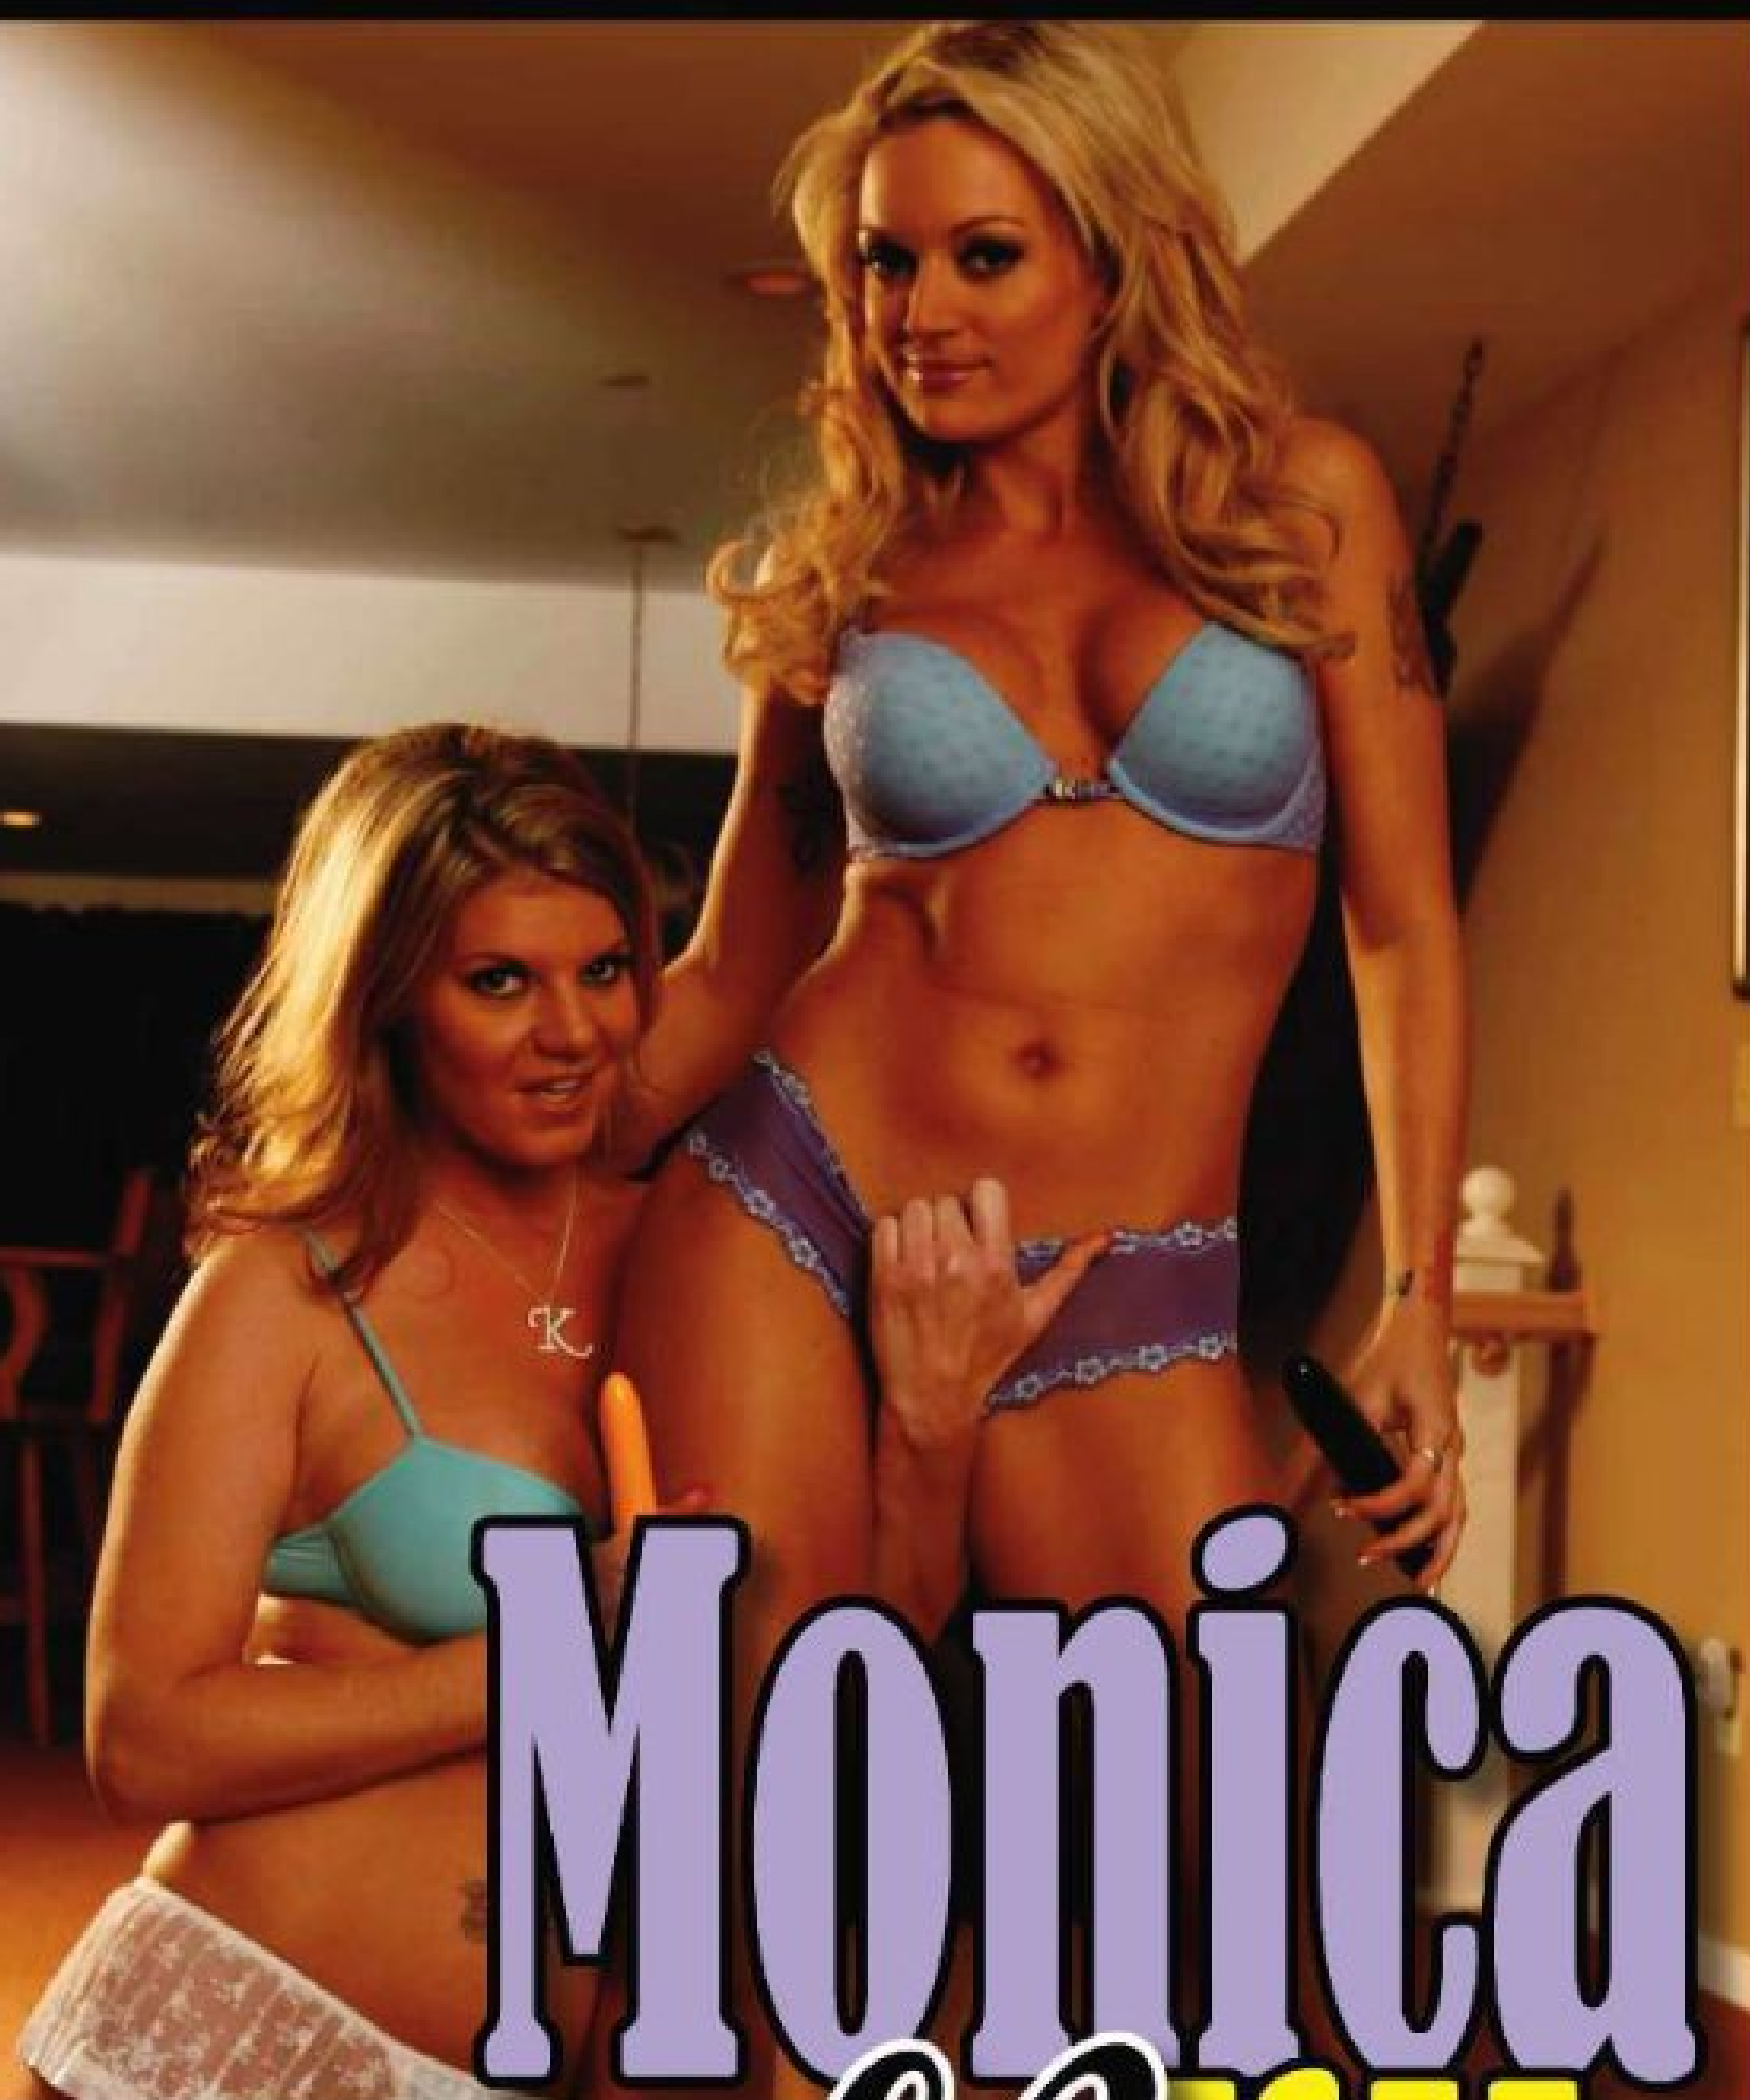

Are you feeling lonely and horny?
Maybe these two can help you out.

Monica & Jill

*Anyway You Can Cum,
I Can Cum Better*

You can say that these two are sexual athletes. Like most serious competitors, they always try to best each other. Both are happily married and considered good moms but ever since that fateful day when they discovered that they had a taste for pussy they can't wait for their hubbys to leave for their weekly golf game. While the men search for that elusive hole in one, their wives are exploring other, tastier holes. They always bet the week's laundry work on who can make the other cum quicker.

Like any pro athletes, these two make sure their bodies are stretched, primed and ready for action. Wouldn't want a pussy cramp, would we?

The battle begins with a feverish attack on Jill's cunt as Monica uses her patented signature pussy pounce in an effort to make friend climax. A senseless Jill manages to hold off cumming in the face of incredible odds.

Expert dildo control
has Monica writhing in
ecstasy and she knows
her friend has bested her
this time.

But ask yourself one
simple question. Are
there really any losers in
this sport?

We received this letter and thought it deserved it's own couple pages. The names have been changed to protect the innocent because we know this restaurant and don't want the state to close them down for a little hanky panky among the wait staff and the customers. – Ed.

To the Editor:

I have to tell you – this weekend was so hot I had to write this letter and share my deeds with the world! It started off ordinarily enough, me waiting tables Friday night at a downtown hotspot. Some people are pissed about working Fridays, but not me. For one, I make boatloads of cash, and for another, everyone comes in dressed to the nines ready to party as there are a handful of nightclubs right around the corner.

Toward the end of my shift I came back from the kitchen and saw a secluded two-top of mine had just been sat with two very attractive older women. Both were done up nicely, proudly displaying more jewelry than god...and some ample cleavage. I see this a lot, so at first I didn't think anything of it – just a couple of rich ladies out on the town. I approached the table to begin my routine, and before I could open my mouth one of the ladies said, "Hey – you sure are cute," to which her friend replied, "Yeah! We should take him home with us and teach him a thing or two!"

I was caught totally off guard, laughing it off as playful banter as I explained the specials and took their drink orders. Then, drink orders in hand, I turned to walk to the bar and as I did so, one of the ladies slapped my ass and winked at me. Amused,

WAS THAT MY TIP?

I figured they'd be out partying all night and were grabbing a late dinner.

When I returned to the table, the ladies were laughing and making quite a bit of noise. However, upon my approach they suddenly became quiet. I set down the second drink, and owner cleared her throat, looked me dead in the eye and said, "Thanks for the drinks. Now we want to see what's in there," firmly patting me on the cock.

"Yes," echoed her friend, "surely you've got a little spare time for us." Then she leaned over the table and gave her friend a wet kiss on the mouth, a kiss that lasted quite some time and clearly stated that these ladies were serious. I felt my cock begin to stiffen beneath my pants and apron, simultaneously feeling a bit embarrassed and totally aroused. I

coughed nervously and looked around my section – everyone was busy eating dinners that had just been dropped, and that meant I had a little time. In a flash, I made a decision.

"Let's go," I said, and the ladies smiled at each other and stood up to follow me. I led them around them through the restaurant to the handicapped bathroom, set off somewhat from the other bathrooms, and opened the door. I don't think anyone saw us, as the ladies followed me through. The one in the rear closed the door behind us while her friend pushed me up against the wall and shoved her tongue in my mouth. "I'm Jessica, and she's Rose," she mouthed muffledly, her hand reaching down and unzip my pants. As Jessica's hand made it's way inside my fly, Rose was undoing her top, her full tits spilling out gloriously. Her tongue now darting in and out of me ear, Jessica latched onto my cock, pulled it out, and quickly stroked it to full hardness. I reached a hand inside her blouse and grabbed one of her tits.

Rose, now braless and impressive nipples

rock hard, pressed her tits into my side and stuck her tongue into my other ear. Her hand reached down and undid my pants. Jessica paused her handy cockwork just long enough for Rose to pull my pants and boxers down. Then both ladies dropped to their knees, and Rose and Jessica both ran their tongues all over of rock hard prick, taking turns popping my head into their hot, eager mouths.

For a moment I wondered about my tables, but ceased to when Jessica took my cock all the way into her mouth, bobbing up and down and sucking slightly. With one hand, Rose undid a few buttons on Jessica's blouse, while her other hand cradled my balls. Simultaneously, Rose and I each grabbed one of Jessica's tits and freed it from her bra. I was just beginning to tweak Jessica's nipple when I felt my cock slide all the way down her throat. I shuddered as my pleasure meter pinged on high.

Jessica popped my cock out of her mouth and said, "Your turn," as she turned to Rose and gave her a kiss, cupping Rose's juicy tits. Rose grabbed my cock, wet with Jessica's saliva, and started jerking me off while she and Jessica continued their kiss. Her hand was soft, yet firm, and after all the deep-throating, I could feel myself rapidly moving toward orgasm.

"I'm gonna cum," I stammered.

The ladies broke their kiss. "Good," said Jessica. She made her way closer to me, opened her mouth, and started sucking on my balls. Rose's hand increased its speed, giving a little extra squeeze as it ran over the tip of my cock.

"Cum on my tits," Rose said, lustfully. That did it. I let loose and exploded all over her tits. Jessica moved right in and

licked Rose's tits clean while I caught my breath. "Someone should probably get back to work," said Rose, playfully.

FUCK. For a minute I had forgotten all about work. Quickly I started pulling up my pants, praying that my tables were alright and that I hadn't been sat again. I looked at the ladies who were fixing themselves up as if to say, "I need to go."

Reading my look, Rose said, "Go. We'll see you out there."

Leaving the ladies to finish putting their clothes back on and cleaning up, I rushed out the door the bathroom. To my relief, I hadn't been sat again, and all my tables were still enjoying their dinners, their conversations relaxed and joyful. Relieved, I went to get a glass of water, and then came back to Rose and Jessica's table at which they were now seated.

"What time do you get off?" said Jessica. "2:30 AM," I answered.

"That was fun. We want to see where

this can go," said Rose, handing me a business card. Then, she and Jessica stood up. Jessica pulled a \$100 bill out of her wallet and dropped it on the table. Both women leaned in and kissed me on the cheek, Jessica patting my cock again.

"Bye," they chimed, both giving me a "come-hither" looked, as they walked away. I looked down at the card. It was for Executive Limo Service. On the back side was written an account number and an address. I smiled as I watched them walk away and put the card in my pocket.

Yeah, that was just the beginning. To tell you about the rest of the weekend might fill up a book. Suffice to say I'm through with younger women, and my cock has never been happier. Now this makes me think about all the great older pussy I've been missing all these years. I just may look up my mom's girlfriends and see what they are up to. Or maybe some of those hot teachers that I had in high school. Time to put my cock back in my pants. God, it's good to be me.

— Hi. I'm Stephan, and I'll be your server.

Dear 40+ Magazine,

I just want to thank you for running that pictorial of Amberly. Safe to say she had me at hello, that "fuck me now" look in her eyes in the first shot. Her body reminds me of a girl I dated back in the day, a real freak.

This girl was always up for something wild – blowjobs in elevators, handjobs at the movies, fucking in the library, vegetable play, you name it. She and Amberly have the same great funbags, topped with perfect, luscious, suckable nipples, the kind you get so caught up in you almost forget the girl has a pussy. Can you say "motorboat"? I'd love to oil up those tits of Maggie's and slip and slide my rock hard cock between them, her mashing them together around it until I blow my load all over them.

Nothing gets me hotter than watching a girl fingering her twat. Watching Tara spread her amazing pussylips for the camera had me going for the lotion immediately. I whipped out my cock and stroked away, imagining I was the camera man and that she was posing just for me. Finally, after all the shots were taken, Amberly would say, "Come here. I've got a surprise for you." She'd push my face down into that awesome twat of hers, and I'd dine on her sweet pussy and its delicious nectar.

Then I'd lick her clit six ways to Sunday, and after a while shove a few fingers deep inside her. Moaning, she'd grab my head and push it deeper and harder into her. "Fuck me now, Frank," she'd cry, and naturally I'd be all too happy to oblige. I'd pull out my cock and plow it deep inside her, and she'd grunt as it entered her deep. I'd fuck her brains out until I filled her fuck-hole with my cum. And then we'd go at it

again and again...

If you have any more pictures of hot women that look like Amberly, please run them

immediately. If you don't, please run more pics of her. I'm in lust!

Cock in hand...again, – Frank, Miami

★ Anal ★ Slut ★ Sandra

"Only Anal Experts Need Apply..."

That's what Sandra titled her new classified ad in the Personals section of her local paper. You see, Sandra, a successful businesswoman had no time to seek out suitable sex partners in the bars or at work. No, at her age she knew what she wanted and the fastest way to get it.

Sandra's an anal slut in the true sense of the word—she only gets off with a cock buried deep in her ass. For those that meet the requirements, you're in for a real treat.

This dude wastes no time and that's exactly the way Sandra likes it. Within minutes he's got her naked and on her belly as he lines up the anal assault.

He's really stretching her butthole out and nothing makes Sandra feel better than a completely stuffed asshole.

It doesn't take long before Sandra experiences the first of many soul shaking deep anal orgasms.

Their "date" was actually a quick coffee followed by a night of passionate fucking. Tianna hadn't had sex since her divorce, so she was thrilled with the attention, as well as eager to please.

Sandra loves how sucking on a cock after it's been in her ass makes her feel naughty and dirty.

Like we said, a true anal slut.

Still, something always felt wrong and when she turned forty she knew that she had to be true to the inner whore that burned within her. She told her husband that she would stay married to him but she was going to be fucking other men. What could he do? Sharing a piece of ass like this was better than nothing.

Once this sexy slut decided to be the best whore she can be there was no turning back. Like everything else in her life, this came easy and with a body like this it wasn't long before steady fuck buddies were lining up at her feet.

In fact, she's waiting for one right now. He's a younger man who coaches the local high school baseball team for which Belle's son plays. He's a little late and so this insatiable MILF has to start without him.

He's seen a lot of baseball games during his career but he's never seen anybody handle a bat and balls quite like this sexy slut.

Her husband has grown comfortable with the new arrangement, even joining in some sessions. This time he gets off by watching his sexy wife writhe and moan as her fuck toy drills her into a frenzy. He's starting to love the new version of his once innocent bride.

Don't ever

Confessions of a Hot Older Woman

Older women? What about wiser, wilder, wanton women? Because I'm quite prepared to admit that I have every intention of becoming a dirty old woman. Of course I use the word "dirty" rather loosely. I suppose what I really mean is that I expect to still be interested in all things sexual (and especially all things kinky) right to the bitter end! I've certainly become more passionate with age and more interested in experimentation. Don't get me wrong - I've always been highly sexed but it's only in recent years that I've developed the poise, the self-assurance, to be comfortable with my downright horniness! And while I still enjoy "vanilla sex" I enjoy even more exploring my naturally kinky nature and if it's with a man who's younger than me (sometimes CONSIDERABLY younger than me) then so much the better. These days I find myself indulging in all kinds of sexual fantasies in all kinds of places.

Call Now. 800-735-4058

Must be 18+

The young man at the grocery store, the businessman having lunch in the local bistro - all are likely to be disconcerted by my appraising glance! Since we all know - or SHOULD know - that the most sensitive erogenous zone is between our ears, then it makes sense that it's a woman's aura, her vibe, that arouses a man's interest. An older woman is more likely to give off an air of confidence, an air of knowing just what she wants and how to get it. Such a woman knows her body well and knows how to extract every last drop of pleasure from it. She's comfortable in her own skin and doesn't waste fretting about minor imperfections the way she might have done in her twenties. By the time she's in her forties a woman knows what's important. She knows the value of taking her time, knows that where there's one orgasm, there's also another and another. An older woman is experienced in the ways of pleasing a man and, more importantly, in how to please herself. She's not looking for a man's approval - she already knows who and what she is and what she demands from life. You won't need to spend your time trying to guess what the older woman wants from you - she'll let you know!

A word about "head games" and yes, there's a world of difference between a mind fuck and a head game. The kind of head game an older woman plays is more likely to be a way of enhancing her enjoyment - and her partner's - rather than to bolster a fragile ego as is often the case with a younger woman. Oh, and you won't find an older woman asking "What are you thinking?" because, quite frankly, she doesn't much care.

If you want your world to be rocked, rather than just a little shaken, then seek out the older woman - she'll rock your world in ways a younger woman hasn't even thought of yet!

Heidi

Just Another Day At The Office

For some time, Heidi'd had the hots for her boss, though he only seemed interested in her in a professional capacity. She decided to do something scandalous to clue him into her sexual uses. Snapping off a few photos of herself in various states of undress and arousal, she carefully placed them on his desk before he returned, patiently waiting for his arrival. This is one clever girl, for he took one look at the shots before pouncing on her and giving her the sexy attention she deserved.

Got to wonder what they're teaching in Secretary School these days. You guessed it, Heidi graduated at the top of the class although her marks were helped by the A+ she got in Oral Presentations.

Heidi had always fantasized about blowing her boss. She had to admit, reality was much better than fantasy.

Heidi had been out of the work force for 20 years while she raised her kids and took care of the home. It didn't take her long to get on top of things.

Anita

Gets Owned

Payback's A Bitch And So Was His Ex

It all started out as the classic fairy tale romance. She was everything he had ever desired in a woman. Beauty, brains, experience and an insatiable sex drive. All that combined with the willingness to try anything, was what this sex bomb brought to the table.

His buddies kept telling him that she was too old for him, but he had love in his heart and lust in his loins. The sex was just too good to let a little thing like age get in the way. Plus, her career as a high-powered lawyer meant that he would always be well-fed, or so he thought.

It all started to change when he discovered that his new wife was simply too much of a slut to ever be satisfied by just one man. It wasn't long before his friends started acting suspiciously whenever he was near, and he kept hearing rumors about how she was running around behind his back. It seemed that she was fucking everybody BUT her husband.

The last straw came when he caught her in bed with his younger brother Alex. To make matters worse she wasn't even sorry she did it.

A divorce quickly followed and unfortunately he discovered that marrying a lawyer meant he got fucked over in the settlement.

That's when he remembered he still had the photos he had taken of Anita during better times. She thought he destroyed them but he could never bring himself to do it. We're so glad he kept them...

Bet the bosses at the firm are going to love these.

His ex loved being on display. She told him that filming their sexual encounters made her feel like a real porn star and took away the stress of her day job, in which she had to play the role of the serious lawyer. Little did he know that all her co-workers had seen poses like this, in the flesh.

Happier times, when fucking
his ex was a daily occurence
and he had no clue he was
getting sloppy seconds, or
thirds, or fourths....

StoreMags - Free Magazines Download in True PDF format

This was the mouth that impressed judges in the courtroom with oral arguments. They'd still be married today if she wasn't so eager to demonstrate her other oral skills to anyone that asked.

She can't get enough. Feeling lucky?

Confessions of a Hot Older Woman

Call Now. 800-735-4058

Must be 18+

The young man at the grocery store, the businessman having lunch in the local bistro - all are likely to be disconcerted by my appraising glance! Since we all know - or SHOULD know - that the most sensitive erogenous zone is between our ears, then it makes sense that it's a woman's aura, her vibe, that arouses a man's interest. An older woman is more likely to give off an air of confidence, an air of knowing just what she wants and how to get it. Such a woman knows her body well and knows how to extract every last drop of pleasure from it. She's comfortable in her own skin and doesn't waste fretting about minor imperfections the way she might have done in her twenties. By the time she's in her forties a woman knows what's important. She knows the value of taking her time, knows that where there's one orgasm, there's also another and another. An older woman is experienced in the ways of pleasing a man and, more importantly, in how to please herself. She's not looking for a man's approval - she already knows who and what she is and what she demands from life. You won't need to spend your time trying to guess what the older woman wants from you - she'll let you know!

A word about "head games" and yes, there's a world of difference between a mind fuck and a head game. The kind of head game an older woman plays is more likely to be a way of enhancing her enjoyment - and her partner's - rather than to bolster a fragile ego as is often the case with a younger woman. Oh, and you won't find an older woman asking "What are you thinking?" because, quite frankly, she doesn't much care.

If you want your world to be rocked, rather than just a little shaken, then seek out the older woman - she'll rock your world in ways a younger woman hasn't even thought of yet!
